## 1. Aims

At Springfield School, we are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school
- Promoting and supporting punctuality at the start of the day

Springfield School expects good attendance from its students, in order for them to make the most of the opportunities that the school has to offer. We rely on our partnership with parents to ensure that this is achieved. We consider good attendance to be 90% or more at this school for any child that does not have additional medical / health need. However individual needs are considered when monitoring attendance.

## 2. Legislation and guidance

This policy meets the requirements of the DfE's [Working together to improve school attendance](#), Guidance for maintained schools, academies, independent schools, and local authorities, September 2022, and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

### **3.7 Pupils are expected to:**

- Attend school every day on

## **4. Recording attendance**

### **4.1 Attendance register.**

We will keep an attendance register and place all pupils onto this register. In our school we use Integris.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See [Appendix 1: attendance codes](#) for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school for 8:30 on the Secondary site and 8:45 on the primary site, each school day.

Morning registration is between 8.30 and 9.00 at Wood Green and 8.45 to 9.15 at the Bronze Barrow. Afternoon registration is between 1.55 and 2.05 at Wood Green and between 1.10 and 1.20 at the Bronze Barrow.

#### **4.2 Unplanned absence**

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence 9am, or as soon as practically possible by calling the school site where the young person attends; Springfield at Wood Green 01993 706662, Springfield at the Bronze Barrow 01993 862976

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

#### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise. Leave of absence forms can be requested from either site office.

#### **4.4 Lateness and punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Punctuality issues which arise from SEN Home to School transport will be noted. Ongoing punctuality issues will be raised with families and/or transport.

#### *4.5 Following up unexplained absence*

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school will continue to try throughout the day and may contact the pupil's social worker or siblings' school.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary.
- Consider a home visit by school staff (this will always take place if there are 3 continuous days of unexplained absence)
- If absence continues, the school will consider a referral to police or the Multi Agency Safeguarding Hub (MASH)
- If there are more than 10 days unexplained absences, we will discuss with the Oxfordshire County Council Local Authority School Attendance Team.

#### *4.6 Reporting to parents/carers*

The school informs parents about their child's attendance and absence levels via Annual review reports.

### **5. Authorised and unauthorised absence**

#### *5.1 Approval for term-time absence*

The Head Teacher will only authorise a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence will be authorised at the Head Teacher's discretion, including the length of time the pupil is authorised to be absent for. Parents or carers must apply in advance for permission.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request, additional evidence may be requested to support the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong.
- Traveler pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travelers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travelers. Absence may be authorised only when a traveler family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

## 6. Strategies for promoting attendance

Springfield school celebrates good attendance through the annual review process and annual written reports. We take an individual approach to promoting and celebrating attendance as is relevant to individual needs and situations. For some individuals, their attendance percentage may be lower than others however their attendance has been a big achievement considering their medical needs.

## 7. Attendance monitoring

Attendance is monitored and followed up on a daily basis. Percentage figures are monitored on a weekly basis. The Admin attendance Officer is responsible for this monitoring and shares information with senior lead regarding individuals with less than 90% attendance and / or any concerns over the week's attendance.

Teachers will note both authorised and unauthorised absences in the registers and this is followed up by Admin staff on both school sites.

Any concerns that the school believes needs additional support to ensure students maintain excellent attendance, will be brought to the attention of the Local Authority School Attendance Support Team, who has the authority to issue penalty notices or fines.

<https://schools.oxfordshire.gov.uk/cms/content/county-attendance-team>

Absence is analysed on a half termly basis in relation to attendance between 80 and 89%; those with attendance less than 80% and those with severe absence where attendance is less than 50%

Attendance of those receiving Pupil Premium Funding is compared to that of their peers.

Attendance is also discussed regularly at safeguarding update meetings.

### 7.1 Monitoring attendance

At our school we will:

- Monitor attendance and absence data weekly, half-termly, termly and yearly across the school and at an individual student level

- Identify whether or not there are individual pupils or particular groups of pupils whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the Boards for the schools and the Trustees.

## **7.2 Analysing attendance**

At our school we will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Provide regular attendance reports to our LAB, Trust Senior Executive Team and Trustees.

## **7.3 Using data to improve attendance**

At our school we will:

- Track attendance of each pupil to be able to identify declining attendance at an early stage.
- Provide regular attendance reports to the head teacher and senior leadership team to facilitate discussions with families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Work with the Local Authority School Attendance Support Team.

## **7.4 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Contact parents to discuss attendance concerns
- Work with the pupil and family to try and identify the cause of the absence.
- Notify the Local Authority School Attendance Support Team of any students that have missed school for 10 days or more without the absence being recorded as authorised. This will be done on a monthly basis.
- Based on an assessment of individual cases we will also consider:
  - Home visits

- Meetings with the parents or carers of pupils who are persistently or severely absent, to discuss attendance and engagement at school
- Working with the Local Authority School Attendance Support Team
- Referrals to Social care
- Provide access to wider support services to remove the barriers to attendance

Any pattern of regular absentees will be identified and support will be offered by the school, in finding solutions for raising attendance. Many problems such as health, bullying or family difficulties can therefore be detected early and support given to students and parents to address these issues swiftly.

## 7.5 Penalty Notices and Legal Action

The Law The Education Act 1996 Part 1, Section 7 states:

“The parent of every child of compulsory school age shall ensure they receive efficient full-time education suitable-

[a] To their age, ability and aptitude and

[b] To any special needs he may have, either by regular attendance at school or by education otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

The legislation that appertains to students who are of compulsory school age and are registered at school is contained within this Act.

Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school”

In cases of persistent absenteeism, the school reserves the right to ask the County Attendance Team to either issue a Penalty Notice Warning, which could result in a fine or further legal action through the courts.

A Penalty Notice is a fine that the County Attendance Team may decide to issue instead of taking legal action through the Magistrates’ Court system.

A Parent/Carer can be issued with a penalty notice if:

- They fail to ensure that their child attends school, or other education provision regularly, usually defined as six or more unauthorised absence sessions over a six-week period;
- They allow their child to take leave of absence during term time without the school’s authorisation;
- They fail to return their child to school on the agreed date after a period of authorised leave of absence;
- Their child persistently arrives late for school after registration is closed.

A pupil becomes a ‘persistent absentee’ (PA) when they miss 10% or more schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child’s educational prospects and we need parents’ fullest support and cooperation to tackle this.

PA students are tracked and monitored carefully by the school and a parenting contract meeting may be offered between parent, pupil and school to try and help resolve any issues. PA cases may be discussed and referred to the Local Authority School Attendance Support Team and if necessary, they have a range of legal powers open to them to enforce attendance including parenting orders, education supervision orders and prosecutions. If convicted of an offence a parent could face a fine of up to £2,500 per parent and/or 3 months imprisonment.

As a restorative school we will always do our best to work with families and pupils to address attendance concerns without the need for legal intervention, but parents and carers must note that where all avenues of support have been facilitated by the school, local authorities, and other partners and persistent or severe absence for unauthorised reasons continues this may be the only available course of action.

## **8. Response to unexplained absence.**

### **First Day Response**

If a student is absent from school and we have **not** been informed, either by telephone or letter, a phone call home will be made to establish the reasons for the absence. This will happen on the **first day of your child's absence from school**.

Please note that for students not living in the close vicinity of our school, if they have a medical/dental appointment, we do not expect them to take a full day off school.

If the parent cannot be contacted, the school will call other emergency contacts that have been provided to the school to try and establish the safety and whereabouts of the pupil.

A home visit may take place if there are concerns about the wellbeing of the pupil

All phone calls are made with the utmost consideration of the needs and feelings of the recipient and politeness is a primary factor.

A follow up email or letter will be sent requesting an explanation for the absence.

### **Third Day Response**

For safeguarding reasons, we will make a home visit (this may have already been carried out previously). However, if we are unable to get a response then we will report it to the police as your child will then be classed a 'missing child'.

### **Pupil Missing From Education**

Any pupil who is absent without an explanation after 5 consecutive school days and the school are unable to make contact with the family must be referred to the LCSS. LCSS will visit the home. If this is unsuccessful then the police will visit the home. If the pupil cannot be located, a MP1 form must be completed and sent to the Students Missing Education Administrator

## **Ongoing considerations**

On each day that a student is absent we will consider any additional vulnerabilities or concerns that we may have around the individual and make an assessment of risk. This may mean that actions are taken sooner, for example contact with police or social care on day one of absence where no explanation is provided.

## **9. Equality Statement**

We understand our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child. We understand the individual needs of our pupils, and we always take these into consideration when working with our pupils and families.

## **10. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by The Designated Safeguarding Manager for The Gallery Trust and the Head Teacher for our school. At every review, the policy will be approved by the Trustees.

## **10. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy.
