

Sounds of water and other transport

Water/sand/salt

Exploring different materials that transport is made of

Water bed

Movement of a boat – hammock, swaying to music

Lights tracking – lighthouse, headlights

Sights/smells/textures/sounds/tastes from different places

Sensory exploration of a journey, e.g. feet in mud, sounds of trains etc.

## Sensory

Role play travel agents

How trains came about and the rail network - George

Stephenson and Isambard Kingdon Brunel

Effects of transport on the environment

Different parts of a car- how does it work

Making different modes of transport using junk modelling

The titanic

Creating road signs

Travelling to the moon - astronauts, rockets, Solar system.

Lighthouse - making a circuit to light a bulb

## Other

Making passports

Packing for a journey - what clothes do we need for different places

Make a map of the journey to school, park, shop

What different transport is used around the world

Different places to visit - types of places, beach, skiing, etc.

Postcards from different places

What is life like on a desert island

Lighthouses and their purposes

Famous explorers

## Geography

Bus station

Train station

Going on a bus, train or boat

## Community Visits

## Amazing Journeys

*Geography and Music*

Sounds of water

Use materials found on different transport to create sounds

Copying a rhythm

Make instruments which make the sound of water, car, horns

The wheels on the bus and change to other transport eg. The sail on the boat

Barefoot books song - Journey home from Grandpas, Driving my tractor and The magic train ride

## Music

# Amazing Journeys

During this topic the pupils main focus will be on Geography and Music, other subjects may be covered as part of cross curricular links.

CLL	Maths	ICT/Computing	PSHCE	PE
Diary entries from an explore	Working out times on timetables	Researching modes of transport	Road safety posters	Stop and go games
Writing a list of what to take on a long journey	Collecting data on how people get to school/ favourite transport	Making maps and giving directions	Water safety	Themed obstacle courses e.g. desert, jungle etc.
Information leaflets on different transport/countries/places	Using 2D shapes to make transport	Making posters of different countries/areas	Things you need to survive	Sports from other countries/places
Describing pictures of different places	Directions on how to get places	Using beebots on a map	Packing for a holiday	Giving directions/commands around an obstacle course or large map
			Road safety
