Friends [FoSS]

Friday 12th July – after school - Joint Summer Fayre with Madley Brook. We do a great BBQ!

Please do let us know any ideas or questions you have by emailing – friends@springfield.oxon.sch.uk

Class Groups for September 2019

Emma is fully aware that parents / carers like to know which class their child will be in, in September 2019. Ideally we would like to be able to finalise the groups as early as we can, however this is not possible due to not knowing which new pupils will be joining us.

The Head Teachers and Local Authority are now trialling a new system for agreeing places in Special Schools.

Instead of having consultations continuously throughout the year, there is an Admission Panel in each term. The first one was in March and the second is in June. We think this will be a better system and should mean that it is clearer who will be joining each school in September. Naturally there will be some exceptions such as a family moving into Oxfordshire.

As the Panel is on 20th June, we hope to be able to final class groups by the end of June.

Staffing

- We have welcomed back TA Chloe Woolford from maternity leave
- Welcome back to Teacher Louise Jones who is covering three days in Tim's class with Senior TA Jo Donohoe leading the other two days until the end of term.
- TA Jess Zupancic also left at half term and we wish her well in her return to Australia.
- We had a successful interview day and have recruited Louise Jones and Angus Marsden [yes he is returning] to cover maternity leave next year. We also recruited Sarah Crothers as a permanent teacher from September.
- Congratulations to Teacher Emily Maycock who is expecting a baby in the Autumn.

Our Vision:

To provide a safe, happy learning environment in which individuals achieve, flourish and develop self confidence and respect for others.
