Do you or someone you know, want to support and contribute to your local Special School?

Springfield Special Needs School in Witney has several vacancies for Co-opted Governors

Our Governing body has an extremely important role: it is responsible for working strategically in partnership with the head teacher and staff to identify the most important aspects of the school that need to be improved, approving plans to achieve this and ensuring progress.

This is an exciting time for Springfield as we move towards converting to join the Gallery Trust and this is a great opportunity for new Governors to come on board and be part of the learning process and development for our School. All governors receive training to help them carry out their role.

As we have several vacancies it means that those interested can have a range of skills and experience to offer, for example these may be linked to financial and business experience; marketing; working within the local community or within an aspect of education.

Governors are initially appointed for a period of four years. The full governing body currently meets on an almost monthly basis at 6.00pm. We also invite Governors to come into school occasionally on school days if they can manage it.

Please do consider this exciting opportunity or whether you know someone who would be interested in being a Governor. This might be someone you work with, a friend, member of the family or someone in the local community. **Please visit the School's website for information and an expression of interest form.**
