

4th November 2022

Message from Emma

I hope you had a good half term. One of our areas of focus that we have this year, is to look at the availability of after school and holiday clubs for our pupils. We will be updating the information on our website to signpost you to some relevant clubs. We will also be sending out a survey asking about what your child attends now, and what they and you would like them to access.

School Photos

We have booked our school photos for both sites, on **Wednesday 9th November**. Please inform the office on your child's site, by phone or email, if you would like sibling photos to be taken. Unlike last year, we are now able to have siblings from other schools for a photo, this is likely to be first at 9.00a.m.

The values for this half of the Autumn Term are **Positivity and Perseverance**.

We look forward to seeing you.

Springfield School's Families' Coffee Morning

[The first one for a long time!]

On Friday 11th November from

9.00 – 11.00 a.m.

At our Wood Green building

This is an opportunity to meet some other parents and carers, and have a chat over coffee [or tea] and cake.

Emma hopes that you can make it and we can talk about ideas for topics that families would like support with, so we can plan workshops this year.

Our Vision:

To provide a safe, happy learning environment in which individuals achieve, flourish and develop self confidence and respect for others.
