

Message from Emma

Well, it is hard to put into words, how delighted I was with my Celebration Picnic on 22nd June. Thank you to those in school and beyond who did all the planning and made it just right and a very special afternoon. Thank you to everyone who came and for all your kind words. It was amazing for me to see so many current and former pupils, families, staff and colleagues, a real trip down memory lane. It seems hard to believe that the end of term is looming but I am sure that alongside the work still to be done there will be further fun and celebrations.

The new Head Kate Campbell has had one visit day so far and will be in for two more days before the end of term.

Assistant Head Topaze has been on secondment this year and this has been extended for another year. Congratulations to Topaze as she is expecting a baby in November. The Trust has put out an internal advert for a secondment for one year for a Deputy Head at Springfield.

The work on replacing the entire roof at our Wood Green site has finally been completed. We were fortunate to have a good company with good contractors, however it is also good that the noise has stopped and the scaffolding has gone.

Please remember to put sun cream on your child before they leave for school in the morning.

Union Strike Days

The National Education Union has confirmed that there will be two more Strike days this term, these are on Wednesday 5th and Friday 7th July. As with previous Strike days, please do anticipate that there will be some disruption within the school and your child may be affected.

As has been discussed in the News, schools do not always know the full extent of the impact until the Strike Day, so although some schools give information out early about classes that are affected, this is not always possible. We will let you know as soon as we can.

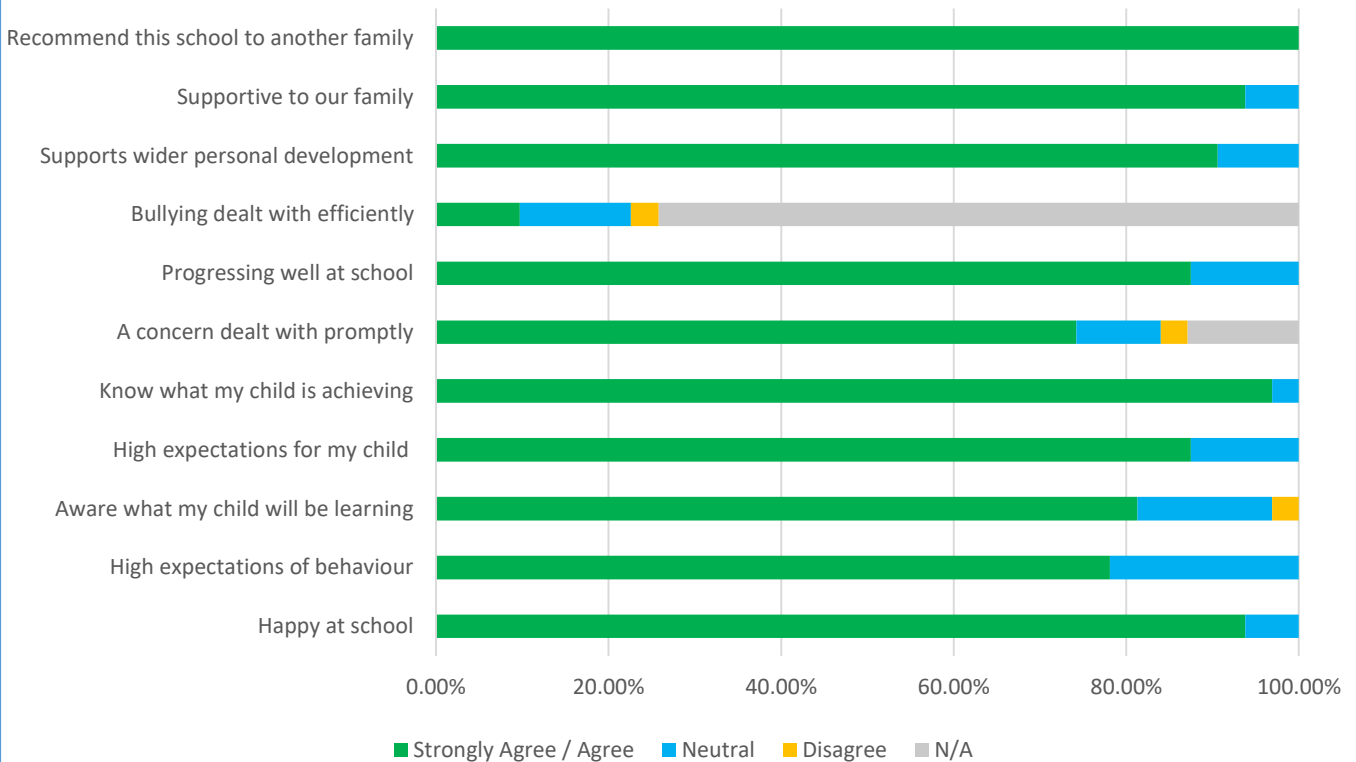

Our Vision:

To provide a safe, happy learning environment in which individuals achieve, flourish and develop self confidence and respect for others.

Thank you to everyone who was able to complete the Families Survey. It is always really valuable to have this feedback. 32 families completed the survey so we have discussed how to possibly increase this number for next year. We are pleased with the very positive feedback and will be looking at strategies where required to improve the feedback that was recorded as neutral or disagree. Two questions had a not applicable option which is why the percentage looks slightly different.
